TO WHOM IT MY CONCERN:

Earlier this year, Mr. Kim Brownie completed an unprecedented task. Brownie & Sons, Inc. moved the first Burger King restaurant to ever be physically relocated. Our Burger King restaurant was originally located at the Treasure Coast Mall in Martin County, Florida and is now located five miles down the road in Eastport Plaza St. Lucie County, Florida.

Fast Food Enterprises is One Hundred Percent satisfied with the timeliness and expert manner in which Mr. Brownie relocated the building. In fact, Brownie & Sons, Inc. will be used by Fast Food Enterprises in future pending projects.

Sincerely,

Brenda E. Emlet
