Re: Nick's Brick Oven Brewery
Completed structural renovation

Dear Mr. Brownie:

I would like to personally thank you for your professionalism and the expeditious manner in which you handled the raising of the concrete roof system at the above-referenced project. In this industry it is a pleasure dealing with a company such as yours and I look forward to using your services in the future. It is without a question of doubt that I would recommend your firm to anyone in need of your services.

Sincerely,

John Cahorshak
